EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on November 29, 2000, Mr. David Mancino requested an extension of time for 1 MONTH(S) and authorized the Commissioner to charge Deposit Account No. 20-0809 the required fee of \$55.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

Claims 3, 8, and 12, line 1, "2" has been changed to --1--.

3. The following is an examiner's statement of reasons for allowance: the primary reason for allowance is the inclusion of a rigid first cross bar connected between first and second gate segments, wherein the first cross bar is free to reciprocate with respect to guide rails in a path that is at least partially horizontal. See claims 1, 18 and 20, lines 14-17. The prior art of record fails to teach or suggest the claimed features absent the applicant's own disclosure.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
